SANABIL INVESTMENTS

## **Introduction**

We are excited to announce the winners of the INNOVERSE Invention & Innovation Expo 2024 Challenges section. This year, we had six challenging categories that brought together brilliant minds from around the globe. A total of 112 solutions were submitted from 17 different countries, and we are thrilled to recognize the top performers.

## **Challenges Categories**

- AI-Powered Crop Health Detection Challenge
- AI-Powered Criminality Prediction Challenge for Robot Police
- The Deep Learning Image Classifier
- The Real-Time Stock Market Predictor
- AI-Powered Facial Emotion Recognition Challenge
- The Autonomous Drone Navigation
